

Volunteer Coaching Application

Thank you for your interest in serving as a volunteer coach for the City of Fremont Youth Sports programs. All coaching applications will be considered without regard to race, age, gender, religion, national origin, marital or veteran status or disability. Please complete the following application truthfully and to the best of your knowledge. This application is not a contract of employment nor will you receive any compensation for your time and service as a volunteer coach. You are, however, appreciated greatly for your volunteer efforts.

Background Screen

As a part of your application to serve as a volunteer coach, a background screen through the City of Fremont Police Department as well as a National Criminal Background Screen through GoodHire will be required. Any background screen that reveals a sexual offense or violent felony conviction will be denied. All other offenses will be reviewed using criteria developed by the Fremont Community Relations Commission. Offenses may disqualify an applicant from serving as a volunteer coach however, applicants may appeal decisions to the CRC and Safety Service Director.

Trainings

To ensure compliance with State laws/mandates, and for the safety of all participants, applicants selected to serve as volunteer coaches will be required to complete training(s) as determined by the City of Fremont. These trainings will be provided at no cost to volunteers and in many cases, will be made available online to complete at your convenience. Additionally, applicants will be required to attend a volunteer coaches meeting prior to serving as a coach. These meetings will be held prior to each sports program (basketball, volleyball, etc.).

Code of Conduct

It is the intention of the Fremont Recreation Department to provide participants and their spectators with an encouraging and welcoming environment. Volunteer Coaches will be required to sign a Code of Conduct form outlining the expectations for setting an example both in and out of the game. Volunteers found to be in violation of this policy will be subject to discipline which could ultimately result in the termination of volunteer status.
